What Is Red-Band S. K. & F. Aspirin?

For nearly 20 years—since 1907—tablets of Aspirin have been manufactured and sold by Smith, Kline & French. Aspirin is the trade name for Acetylsalicylic Acid, originally controlled by a German concern, but several years ago the patent rights were canceled and the trade name Aspirin became public property.

SHOOTS BROTHER IN FEUD OVER NURSE

Vaughan Harvey Wounds Lawrence in Quarrel Over Mother's Attendant.

ELKTON, Md., Feb. 10.—A woman was back of the dispute as a result of which Vaughan Harvey, of North East, yesterday shot and probably fatally wounded Lawrence Harvey. Vaughan Harvey, who is forty years old, lived at his mother's house in North East. His mother is critically ill and he engaged Mrs. Lola Gallagher to help nurse his mother, according to his statement. Lawrence Harvey, who worked at Ferry Point, paid a visit to his mother and decided, it is said, that there was too great an appearance of intimacy between Vaughan Harvey and Mrs. Gallagher. Lawrence and other brothers, after a consultation, determined to order the woman and Vaughan Harvey from the house. This was done, it is said. Vaughan Harvey then applied to have his brothers bonded to keep the peace. The request was granted and Lawrence and Edwin, two of the brothers, were notified to give bond to keep the peace. Yesterday Vaughan Harvey was at Justice Scotten's office when word came to the magistrate by telephone that the Harvey brothers were at the jail ready to give bond. When Justice Scotten got to the jail, he found Harry L. Harvey and Edwin Harvey. Harry put up bond for his brothers. It is assumed that Vaughan Harvey inferred, when he heard the two were at the jail, that none of his brothers was at North East. He drove in his automobile to the mother's home in North East almost immediately, and there found Lawrence. Lawrence is reported to have denied him admittance. Then, according to a statement made by Lawrence to State's Attorney H. A. Warburton, Vaughan produced a pistol and shot three times. One bullet struck Lawrence in the abdomen. It is stated at the Union Hospital, this place, where he was brought, that his intestines are punctured. Vaughan Harvey was arrested later at the home of his aunt. Mrs. Gallagher has gone to the home of a cousin in North East. She is twenty-six years old and is described as an attractive-looking woman. Vaughan Harvey told State's Attorney Warburton last night he shot because he had been driven from his home and was not permitted to return. He said he would base his defense on this contention.
